

EXPLORE, CREATE AND DISCOVER

11 weeks of Summer at HMS beginning June 6, 2016.
Many new offerings!

Welcome to Summer at Hudson Montessori School!

We are excited to have you join us for our 2016 summer offerings. In our “**Explore Your Interests**” camps you can pick the individual sessions to express and develop your interests and in our “**Create Your Day**” program you can design your daily or weekly schedule. All of the programs offer fun and interesting activities and are open to children between the ages of 3 to 12. This is a time for children to **explore**, **create** and **discover**; a time for them to make new friends and to reconnect with old ones; and a time for laughter, singing and playing.

On the following pages you will find information regarding our summer offerings including Archery, Photography, Fashion Fun and Chamber Festival to name a few! All of our programs are staffed by talented and dedicated camp counselors, most of whom are HMS faculty, staff and alumni.

Once again this summer, we are excited to partner with the Great Lakes Science Center. The GLSC will be sending their talented, experienced staff to lead the science camps! Their knowledge and professional abilities make science, technology and engineering come alive and generate a lot of fun! Boys and girls will participate through hands-on projects and scientific discovery.

We encourage you to visit our website at www.hudsonmontessori.org for more information about Hudson Montessori School, our beautiful 12 acre campus and our philosophy of educating the child to his or her fullest potential.

To assist you with a more efficient registration process, we have added registration forms to our website which can be printed and completed. The brochure can be accessed through our *Summer Programs* link with further registration instructions. If you should have any questions please feel free to contact 330.650.0424 ext.128 or email camp@hudsonmontessori.org. We realize that families balance many schedules during the summer and for your convenience we have flexible scheduling available. We look forward to providing you with an enriching summer experience. See you this summer!

Sincerely,

The HMS Summer Staff

Hudson Montessori School 7545 Darrow Road, Hudson, Ohio 44236

Hudson Montessori School does not discriminate on the basis of race, color, national or ethnic origin in the administration of its educational and admissions policies.

CREATE YOUR DAY

11 Fun-Filled Weeks for 3-12 year olds
(Attendance can be hourly, daily or weekly)

<u>DATES</u>	<u>WEEK</u>	<u>TITLE</u>	<u>WEEKLY THEME</u>
June 6-June 10	#1	Color My World	Have fun with color this week. Tie-dye activities, make your own chalk , color experiments and so much more.
June 13-June 17	#2	Superhero	Who is your Superhero? Could it be Batman, a policeman, your mom or dad? Let's explore who inspires you by creating Superhero handprints, and bracelets. The possibilities are endless!
June 20-June 24	#3	Jungle Book	Celebrate the adventurous boy, Mowgli of The Jungle Book and his friends, Baloo and King Louie to name a few. We will build a jungle and Learn all about the jungle and its animals!
June 27-July 1	#4	Stars and Stripes	Three cheers for the red, white and blue! Celebrate our nation's 240th birthday and learn about our great nation.
July 5-July 8	#5	Camping at HMS	Let's pitch a tent and camp-out at HMS. We will have an Eye Spy Nature hunt, hike through the HMS forest and so much more!
July 11-July 15	#6	It's a Bug's Life	Let's explore things that creep, crawl and fly high in the sky. We'll look indoors, outdoors, in our very own pond and all around!
July 18-July 22	#7	Spy Campers	Learn how to be a nature detective, make spy devices, write in code and be a super sleuth!
July 25-July 29	#8	Camp Carnival	Games, face painting and prizes, oh my! Popcorn, snow cones and so much more!
August 1-August 5	#9	Olympic Games	Welcome to the Games of the XXXI Olympiad. Join us as we have Opening & Closing ceremonies, play indoor and outdoor games! We will even make our own medals!
August 8-August 12	#10	Island Adventures	Help us create a Hawaiian paradise of tropical beauty. We will also explore the sea life in the Pacific Ocean.
August 15-August 19	#11	Pirate Adventure	Arrr-Mateys! Dig for gold, make a treasure map and be captain of the ship!

CAMPS FOR 3, 4, 5, AND 6 YEAR OLDS

BUMBLYBEE SOCCER

This Stretch-n-Grow soccer program is designed to give children ages 3-5 their first soccer experience. Children will play a variety of movement and skill games, work on eye-foot coordination and balance and learn soccer fundamentals such as dribbling, passing and trapping. In addition, the concepts of teamwork and cooperation will be introduced in a noncompetitive environment. This camp will be led by Tom Duff of Stretch-n-Grow. Come ready for fun!

Ages: 3-6
Day: Monday
Dates: June 6, 13, 20, 27, July 11, 18, 25, August 1, 8, 15
Time: 9:30-10:15 am
Class size: 5-12 campers
Cost: \$135

PINCH, COIL, STAMP: CLAY FUN with MS. BLATNIK

Join Ms. Blatnik in the new Pottery Studio at Hudson Montessori School. During the time you are attending the "Create Your Day" session Ms. Blatnik will take you away for an hour of clay making. You will be introduced to the textures and possibilities of working with clay. Small groups of campers will join her in the Pottery Studio and then returned to the "Create Your Day" room. At the end of the 4 week session each camper will bring home their beautiful clay creation. A \$15 material fee is included in the price.

Ages: 3-6
Day: Tuesday
Dates: July 12, 19, 26, August 2
Time: 1 hour session between 8:30-11:30 am
Class size: No less than 4 campers
Cost: \$80

TIGER TOTS PRE-SCHOOL MARTIAL ARTS

The Asian Sun nationally acclaimed pre-school program is a detailed curriculum which focuses on improving pre-school-age children 's basic motor and listening skills. These skills will help them enter society with a more confident and enthusiastic outlook. Campers will develop 8 major skills in a fun and motivating way.

Ages: 3-5
Days: Tuesday and Thursday
Dates: June 7, 9, 14, 16, 21, 23, 28, 30, July 5, 7, 12, 14, 19, 21, 26, 28, August 2, 4, 9, 11, 16, and 18
Time: 9:00-9:30 am

EXPLORE YOUR INTERESTS

CAMPS FOR 3, 4, 5, AND 6 YEAR OLDS

LAUGH & LEARN by KINDERMUSIK

Laugh & Learn classes combine the preschooler's natural love of music, storytelling, and imaginative play. Early music concepts are introduced. Age-appropriate activities will help foster the child's independence, social and emotional skills, language growth, and self-control. Children will enjoy chants and stories, singing and moving, pretend-play and instrument-play. Monthly themes this summer will include: Let's Play, In the Garden and Carnival Music. Kindermusik camp will be led by Kathleen Heydorn of Kindermusik, Hudson. Home materials are included with paid tuition.

Ages: 3-5
Day: Friday
Dates: June 10, 17, 24, July 1, 8, 15, 22, 29, August 5, 12, 19
Time: 9:30-10:15 am
Class size: 5-12 campers
Cost: \$150

OUR TIME

Kindermusik presents *Our Time*, a class for parent and child, which reflects the emotional foundations of school readiness and the latest research on music and early childhood development. Our Time is a unique opportunity for parent and child to interact and learn together in an unhurried and joyful manner.

Ages: 18 months-3 years
Day: Friday
Dates: (Session 1) June 10, 17, 24, July 1 (Session 2) July 8, 15, 22, 29
Time: 10:45-11:30 am
Class Size: 4-12 campers
Cost: \$85 per 4 week session

EXPLORE YOUR INTERESTS

CAMPS FOR 3, 4, 5 AND 6 YEAR OLDS

PRINCESS TALES

Princess Tales is a week long camp that will teach the fundamentals of ballet while inspiring your child's sense of creativity and self-expression. Everyday we will explore a different princess: hear the story, make props, create movement and learn a dance while gaining the knowledge of ballet steps and terminology. The end of the week will include a fun, informal performance to show the routines that our Ballerinas have learned. The magical journey begins here!

Ages: 3-5
Week: June 6-10 (Week #1)
Time: 9:30-11:30 am
Class size: 6-12 campers
Cost: \$120

DANCE KRAZE (mini-camp)

Dance Kraze will excite a child who loves to move! We will be covering the styles of jazz, ballet, hip-hop, lyrical jazz and musical theater. This three-day camp consists of warm-ups, basic technique, terminology, dance games and improvisation of each style of dance. The student will also create props, learn a routine in a different style and work together to choreograph their own routine. Parents will be invited to see the routine they have created on the last day of class. This fun and exciting camp will only run on Tuesday, Wednesday and Friday, and will give your child an introduction to new dance styles.

Ages: 3-5
Week: June 27-July 1 (Week #4)
Days: Tuesday, June 28, Thursday, June 30 and Friday, July 1
Time: 9:30-11:30 am
Class size: 6-12 campers
Cost: \$80

GREAT LAKES Science Center

Great times inspire great minds.

Presented by Great Lakes Science Center (GLSC) on the campus of Hudson Montessori School.

Ages: Girls and Boys entering Grades K-8

Dates: June 13-July 22, 2016

Time: Full-day: 8:30 am-3:30 pm

Format: One-week sessions; campers are encouraged to sign up for multiple weeks.

Register: online at www.GreatScience.com

All campers must bring a brown-bag lunch and snack each day of camp. All sessions include a field trip to Great Lakes Science Center and admission to an OMNIMAX film. Hudson Montessori School offers before and after-care for a small fee.

GREAT LAKES Science Center

Great times inspire great minds.

Grades K-1

Our K-1 camps are perfect for easing the transition into the structure of a classroom in a fun, social and stimulating way. Campers will gain valuable social skills, with an emphasis on cooperative play, exploration and critical thinking, designed to get them excited and comfortable as they look forward to the new school year.

June 13-June 17: **SPACE EXPLORER**

Are your kids in love with space? This camp is out of this world! Build and launch a rocket, train to become an astronaut, sample soil from Mars, and experience the STARLAB Planetarium and the NASA Glenn Visitor Center! Cost: \$250

June 20-June 24: **LEGO: CITY SCAPE**

Build the city of the future, LEGO style! Make a park that uses solar energy to power its lights. Create buildings that reach to the sky and harvest the power of wind. Meet real city workers and learn about how they serve our community. We build this city on L-E-G-Os! Cost: \$250

June 27-July 1: **CHEMICAL CONCOCTIONS**

Experiment with acids and bases, make slime and mix solutions that glow in the dark! Kids learn the basic principles of chemistry by mixing concoctions that change before their eyes. Chemistry isn't just about beakers and laboratories, either. It's all around us! Cost: \$250

July 5-July 8: **SKYWALKER'S GALAXY**

Enter the Order of the Jedi, explore new galaxies and fight for peace and justice. Take an educational look into the scientific, technological, and historical trappings of the galaxy. Prepare to become one with the Force! Cost: \$200
(4 day week due to holiday)

GREAT LAKES Science Center

Great times inspire great minds.

Grades K-1 (continued)

July 11-July 15: WILD ABOUT WEATHER

Learn about the weather around us, create fog and tornadoes, simulate a hurricane, make weather predictions, draw weather maps and present a TV weather forecast!
Cost: \$250

July 18-July 22 TREASURE HUNTER

Thar' she blows! Cast off for a week full-o' science exploration on the seven seas. If ye' ever wanted to know how yer boats a-float, how eye patches a-work or how to walk the plank and miss the sharks, then this camp be for ye! Set sail for science and adventure! Cost: \$250

GREAT LAKES Science Center

Great times inspire great minds.

Grades 2-3

Campers in grades 2-3 are all about one thing, hands-on exploration. Our camps are specially designed to highlight exploration and foster creativity in a highly interactive and social environment. We focus on using the scientific method and engineering design process to enhance our learning and build a base for successful scientific investigation.

June 13-June 17

ROCKIN' ROCKETS

Let your kids imagine soaring above the clouds and into space as they build their very own model rocket that is capable of flying over 100 feet. Learn about propulsion, and experiment with a variety of different models and fuels as you work to design and launch the perfect rocket. Cost: \$250

June 20-June 24

MINDCRAFT MULTIVERSE

Do you have a Minecraft fanatic in your house? Then this is the camp for them! Fight creepers, make and study real-life biomes and mine the earth to engineer a redbox potion. There's even a chance to code a multiverse! Grab a pickaxe for an amazing camp experience. Cost: \$260

June 27-July 1

Girls Only: SCIENCE that SPARKLES

Just for girls! Explore the physics of light and color and study how light waves are caught, reflected and manipulated by campers. Discover how the eyes and brain work together to perceive light and learn about the inner workings of the eye. Even create lip balm, nail polish and bath fizzies! Explore science careers and be inspired by local women working in science! Cost: \$250

July 5-July 8

LEGO: SPORTS FANATIC

Just in time for the Olympics! Take a look at popular sports through engineering goggles. Build and use sports equipment with bricks. Research and construct a stadium that could be used for a sporting event. Create gold medals and award them to the winners of LEGO sports events. Game on! Cost: \$200 (4 day week due to holiday)

GREAT LAKES Science Center

Great times inspire great minds.

Grades 2-3 (continued)

July 11-July 15 CRAZY CHEMISTRY

Become a chemist! Learn about the chemistry we encounter every day at home and at school. Experiment with chemical reactions and test different liquids. Create a chromatography T-shirt to take home. Make and eat exothermic ice cream! Cost: \$250

July 18-July 22 MAY the FORCE BE WITH YOU

The force is strong with your young Padawans. The force of SCIENCE! Learn the science behind the epic story. Can a change in the force be sensed? Is it possible to make a light saber? Could the Death Star be blown-up with one shot? Find out all about it during this epic week of camp. Cost: \$250

GREAT LAKES Science Center

Great times inspire great minds.

Grades 4-5

At this age, science content becomes more focused. The structure of formal education at school sometimes does not permit individual students to explore their interests in a way that best suits their learning style. Our camps provide a suite of highly interactive and engaging sessions that are designed to help students delve into a topic of interest in an informal, hands-on environment.

June 13-June 17

VIDEO GAME DESIGN

Imagine a game so popular that it sells an astonishing 10,000 copies every day—maybe it could be yours! Use your imagination and learn the basics of game play, character development, backdrops and scoring. Work with your fellow designers to plan, program and play campers' original video games!
Cost: \$260

June 20-June 24

LEGO EV3 OLYMPICS!

Can't make it to Rio for the Summer Olympic, but want to join in the festivities? Dunk a ball, run a race and score a goal all with the power of the newest LEGO Robotics technology! Who knows, your bot might be a gold medalist! Cost: \$280

June 27-July 1

DISSECTION DISCOVERY

Calling all biologists! Investigating fish, amphibians and mammals as we explore their anatomy using the process of dissection. Learn how a heart beats, follow the path of a vein, and look inside a stomach as we explore careers in the medical field. Due to its graphic nature, this camp may not be suitable for everyone. Cost: \$280

June 27-July 1

ENGINEERING ANIMAL HABITS

Help a crab out! Our hermit crabs are looking for new homes, but the pet store is sold out! Learn about modern engineering strategies, then design and 3D print a new shell to keep our crab friend cozy. Who knew that CADing (computer aided design) could be so useful! Cost: \$280

GREAT LAKES Science Center

Great times inspire great minds.

Grades 4-5 (continued)

July 5-July 8

GLSC SPACE CAMP

Train to live and work in space and command your own simulated space station missions! Examine a real moon rock and learn about our Apollo Command Module. Experiment with fuels to build a rocket, take a behind-the-scenes tour of NASA Glenn Research Center, and enjoy a space-themed movie in our OMNIMAX Theater. Cost: \$208 (4 day week due to holiday)

July 11-July 15

AMUSEMENT PARK SCIENCE

Experiment with physics, friction, inertia and momentum. Use your design and engineering skills to create miniature models of your favorite rides. Explore centripetal force and kinetic and potential energy while riding real amusement park rides and getting a behind the scenes tour of Cedar Point Amusement Park! Cost: \$295

July 18-July 22

EXPERIMENTING with ELEMENTS

From molecular basics to periodic extremes, this will be a camp to remember! Spend the week learning about chemical formulas, testing different reactions, and discovering the explosive world of chemistry. You'll turn everyday household items into something spectacular! Cost: \$265

GREAT LAKES Science Center

Great times inspire great minds.

Grades 6-8

Research shows that when it comes to science and math, we tend to lose kids during their middle school years, either due to changing interests or limited resources available through school. Our 6-8 grade camps are designed with this in mind. We focus on real-world applications, careers and experiences in an effort to re-engage interest and ignite that scientific spark.

June 13-June 17

ORGAN TRANSPORT LEAGUE

Race against the clock in this engineering challenge of a lifetime! The surgeons are requesting help to transport a vital organ to a hospital across the country. Learn about problem-solving engineering and about specific body systems in this exciting new camp experience. Cost: \$280

June 20-June 24

VIDEO GAME DESIGN

Grab your controller and level up to learn the art of video game design. You will gain a competitive edge for character development, 3D modeling and animation all while studying what it takes to make a video game great. Take home valuable knowledge of the science behind your favorite X-Box and PS4 games! Cost: \$270

June 27-July 1

DISSECTION DISCOVERY: AQUATIC

Explore. Discover. Dissect. Explore anatomy UP CLOSE in an exciting and hands-on learning environment as you dissect a fish, starfish, squid and shark. Learn basic anatomy, draw with squid ink, and see how these creatures swim, eat, and breathe. Due to its graphic nature, this camp may not be suitable for everyone. Cost: \$280

July 5-July 8

EROSION ZONE

Help engineer the best coastal carrier to protect your city from the natural ebb and flow of our Great Lake. Will your creation stand up against the power of an Atlantic hurricane gale or a Pacific tsunami? Test your design, Science Center style! Cost: \$224 (4 day week due to holiday)

GREAT LAKES Science Center

Great times inspire great minds.

Grades 6-8 (continued)

July 11-July 15

AMUSEMENT PARK REDUX

What makes bumper cars hover? How can a carousel go round and round? How does a roller coaster train stay on the track when it's upside down? Discover the secrets of this thrilling side of science by creating an amusement park that demonstrates gravity, energy, friction and centripetal force. Then, experience it firsthand while riding real amusement park rides and getting a behind the scenes tour of Cedar Point Amusement Park! Cost: \$295

July 11-July 15

SPARK SPACE: ROCKET ADVENTURE

Prepare for launch! Explore space science as you design, build, and launch a customized rocket. Use sophisticated FabLab machines to make your rocket blast off to the highest heights. Learn about the natural resources hidden throughout our solar system. Cost: \$280

July 18-July 22

LEGO EV3 ROBOTIC HELPERS

Since their conception, robots have been engineered to help humans. What problems do you have that need to be solved? Imagine, create and program robots to help with everyday challenges. Study how scientists, doctors and engineers are using bots in our world today. Cost: \$280

CREATIVE ARTS

CLAY CREATIONS

In this new summer camp, our very own Ms. Blatnik will introduce your camper to the basics of hand building and casting with clay. Each camper will have a turn using the pottery wheel in the new Pottery Studio at HMS. Glazing sessions will be available Tuesday mornings on July 12, 19, 26 and August 2 by appointment scheduled with Ms. Blatnik. A material fee of \$20 is included in the cost of the camp.

Ages: 6-14
Week: June 27-July 1 (Week #4)
Time: 9:00-11:30 am
Class size: 8 campers
Cost: \$170

FASHIONISTA 1 and 2

Don't miss the popular HMS fashion camp in its seventh year with creator, Mary Blatnik. Campers will explore wearable art and discover their inner DIVA. As in years past, Wednesday is tie-dye day! Come and create your own personal style. Sign up soon for some fabulous, fashionable fun because this camp fills up quick! A material fee of \$30 is included in the cost of this camp.

Fashionista 1

Ages: 4-7
Week: June 20-25 (Week #3)
Time: 9:00-11:30 am
Class size: 4-10 campers
Cost: \$150 (Material fee of \$30 included)

Fashionista 2

Ages: 8-12
Week: June 20-25 (Week #3)
Time: 12:30-3:00 pm
Class size: 4-10 campers
Cost: \$150 (Material fee of \$30 included)

EXPLORE YOUR INTERESTS

CREATIVE ARTS

UPCYCLING—THE LATEST CRAZE

Where do rugs come from? Make your own and find out! It is a lot more fun to make a rug than to buy one. We all like to recycle and stay green, and this camp will take your recycling one step further with a new trend called UPCYCLING! You will join instructor and artist Pam Smith, and set up a little workshop and have lots of fun deconstructing T-shirts. Then you will reconstruct them into rectangles and sew them together into long strips mixing the colors into wonderful patterns. Next, you will assemble them onto a backing to complete the rug. The backing is a great place to use your favorite logo from that t-shirt that you outgrew.

This creative camp will help develop many skills for both girls and boys. The morning will begin with a skill lesson for practice and then on to building the rug. Sequencing, organizing, sewing, hand/eye coordination, patterns, cutting with scissors, assembling and measuring are some of the skills you will perfect. Most of the materials utilized will be natural fibers such as cotton.

Each camper will need at least 5 T-shirts to make one rug, but since you can't have too many bring a few extra on the first day of camp. Campers will be using a sewing machine with instructor guidance for the final assembly.

Ages: 6-12
Week: July 11-15 (Week #6)
Time: 8:30-12:30 pm
Class size: 4-8 campers
Cost: \$120

KIDS IN THE KITCHEN

LET'S MAKE LUNCH

Join friends to make and eat lunch together. On day one we will make loaded nachos. Each participant will help prepare and make up to eight toppings for "Loaded Nachos" and make an old-fashioned banana split for dessert. Participants will choose menu items and recipes for the remainder of the week. Possible lunch items include homemade mac & cheese, organic fruit smoothies, Jello parfaits, stone soup, stuffed shells with homemade sauce, pizza cupcakes (this was our favorite pizza recipe from the Summer 2015 cooking camp!), pizza spaghetti bake, homemade ice cream, and Oreo icebox cake. Each day we will make an entrée dessert and special beverage. Space in this "Let's Make Lunch" camp with your Head Chef, Doña Laurie Householder, is limited, so register early to reserve your spot! This is a NUT FREE camp.

Ages: 3-12
Week: June 6-10 (Week #1)
Time: 8:30-12:30 pm
Class size: 8-15 campers
Cost: \$150

GIMME S'MORES, PLEASE

Summer isn't summer without some S'MORES! The delicious mix of graham cracker, chocolate, and marshmallows! In this cooking club HMS Spanish teacher Doña Laurie shares her no-campfire-needed S'mores recipes. Students will design their own apron to take home and make a recipe book. Our S'mores will travel so we will make enough of these summertime favorites for campers to take home and share. Measuring, dipping, recipe reading and ingredient preparation are adapted to be developmentally and age appropriate. Everyone will certainly be asking for s'more of these S'mores! Join this camp and enjoy S'more Krispies Treats, S'mores on a Stick, S'mores Cupcakes and S'mores Pretzel Bites. This is a NUT FREE camp.

Ages: 6-12
Week: June 13-June 17 (Week #2)
Time: 8:30-12:30 pm
Class size: 8-14 campers
Cost: \$130

PERFORMING ARTS

BROADWAY KIDS

Broadway Kids will challenge your child's "triple threat" performance skills while learning about different Broadway shows and developing their own creative minds. In this camp we will sing, dance, act and learn the story of our dearest kid friendly shows: Mary Poppins, Lion King, Annie and The Sound of Music. The campers will learn a different routine everyday and will also be making a prop, costume or set that will be used at the end of the week's performance. A small, informal performance will be shown at the end of the week. This fast-paced, fun and exciting camp is one week long and will help your child be ready for any stage!

Ages: 6-9
Week: June 6-10 (Week #1)
Time: 12:30-3:00 pm
Class size: 6-12 campers
Cost: \$125

SO YOU THINK YOU CAN DANCE (mini-camp)

Inspired by the hit TV show, *So You Think You Can Dance*, we will be covering the styles of jazz, ballet, hip-hop, lyrical/contemporary and musical theater. This three-day camp consists of warm-ups, basic technique, terminology and improvisation of each style of dance. The camper will also create props, learn a routine in a different style and work together to choreograph their own routine. Parents will be invited to see the routine they have created on the last day of class. This fun and exciting camp will only run on Tuesday, Wednesday and Friday, but will give your child an introduction to a dance style they may not have tried before.

Ages: 6-9
Week: June 27-July 1 (Week #4) Only Tuesday, June 28; Thursday, June 30 and Friday, July 1
Time: 12:30-3:00 pm
Class size: 6-12 campers
Cost: \$80

MARTIAL ARTS

For children ages 6 to 12, as well as teens, we offer a wide variety of classes that will help your child build motor skills, increase concentration, and develop the self confidence they will need to succeed in this ever changing world. Our children's classes are specifically designed around children's endurance and concentration levels. The classes are divided into advanced, intermediate and beginner's classes, so your child will get the personal attention they need and deserve. We take the time to get to know you and your child so we can help them achieve all their goals in life.

MARTIAL ARTS will help children Develop...

- Better Manners
- Respect for parents and other authority figures
- A high degree of self-respect
- A desire to set and achieve goals
- The strength to say "NO" to unhealthy peer pressure
- Methods on how to defeat the bully without fighting
- Leadership abilities
- A "Yes, I Can" attitude
- Responsibility for their actions
- Better grades in school plus increased attendance
- The self-discipline to do what they know they should do without being told
- Better concentration skills
- Physical and mental self-defense
- Better fitness
- Better motor skills, coordination, and strength

All Asian Sun instructors are certified through the Asian Martial Arts Council. Asian Sun Martial Arts is registered with USA Taekwondo (the National Governing Body for Taekwondo) and Amateur Athletic Union Taekwondo (AAU).

Ages: 6-12
Days: Tuesday and Thursday
Dates: June 7, 9, 14, 16, 21, 23, 28, 30, July 5, 7, 12, 14, 19, 21, 26, 28, August 2, 4, 9, 11, 16, and 18
Time: 9:30-10:15 am
Cost: \$395

ART of ARCHERY for 9-11 year olds and 12-14 year olds

Learn the sport of archery, an art that has been practiced through the ages all around the world! For all skill levels, from beginner to advanced, we will go through one week of fun, games and competition to improve your shooting skills. Campers will be hitting their targets the very first day of class with a certified archery instructor. Join the ranks of archers in history, such as Robin Hood and his merry men (and women!) We will provide the supplies needed for archery and a snack, but bring your water bottle and sun-screen. Join instructor Dr. Patrice Metoyer and learn the Art of Archery. Join one of our most popular camps!!

Ages: 9-11
Week: July 18-22 (Week #7)
Time: 9:00-11:45 am
Class size: 4-12 campers
Cost: \$160

Ages: 12-14
Week: July 18-22(Week #7)
Time: 12:15-3:00 pm
Class size: 4-12 campers
Cost: \$160

COLLEGE DAY SPORTS CAMP

Children “enroll” in the college of their choice and have a blast learning about and playing a wide variety of college sports, including basketball, soccer, hockey, volleyball and more. Campers make school crafts, wear their school colors and have a TON of fun! Campers will also learn many fun facts about the college they choose to attend. Parents are invited to attend “Graduation Day” on Friday.

Ages: 6-12
Week: August 8-12 (Week #10)
Time: Half Day: 9:00-12:00 pm Full
Day: 9:00-3:00 pm
Class size: 8-24 campers
Cost: Half Day/\$95 Full Day/\$145

ACADEMIC ENRICHMENT

MATH ALL AROUND US

Students will explore and experience mathematics in an interesting and supportive group setting. We will use games, art and nature to make math come alive. Some of the topics covered will include the Fibonacci Sequence, The Golden Spiral, area and perimeter, a ratio and proportion. Join HMS Middle School math teacher, Amy Fagan for this exciting camp!

Grades: 4-6
Week: July 18-22 (Week #7)
Time: 12:30-3:00 pm
Class size: 8-20 campers
Cost: \$100

SPANISH IMMERSION

Students in “Spanish Immersion” will participate in vocabulary building, cultural crafts, ethnic cooking, singing, outdoor play of typical Latin American and Spanish children’s games, and listening/reading activities designed to improve overall comprehension. This academic camp includes plenty of “fun time” to encourage a love of the language!

Grades: 1-4
Week: August 1-5 (Week #9)
Time: 8:30-12:30 pm
Class size: 10-14
Cost: \$195

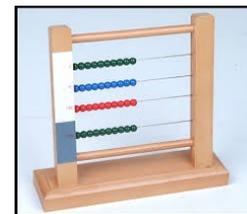

PRIVATE TUTORING

Are you interested in maintaining your reading, writing and math skills over the summer break or do your skills need sharpening or polishing? Utilizing the Montessori Method and materials, this program is most beneficial for the Montessori student.

Reserve a time with Ms. Laura White for 1:1 tutoring.

Where: Hudson Montessori School
Who: Extended-Day to 5th level students (Fall 2016)
When: Tuesdays and Thursdays
Time to be determined
Cost: \$35 per hour

Contact Ms. Laura for questions, scheduling and registration at 330-650-0424 (ext. 118) or email lwhite@hudsonmontessori.org.

Hudson Montessori Chess Camp

June 6-10

Full Day: 8:30 am - 3:30 pm

Half Day: 8:30 - 11:30 am or 12:30 - 3:30 pm

Location: Hudson Montessori School
7545 Darrow Road, Hudson, OH, 44236

Welcome: Hudson Montessori School and Progress with Chess are proud to offer this week long chess camp for students in grades K-8. All levels welcome, from beginner to expert! Students will thrive in our supportive environment, and receive plenty of individual attention in small groups, divided by age and skill level. Chess sets, written materials are provided.

Bring: Full day campers bring lunch, all may bring snacks if desired.

Staff: The camp will be conducted by "Progress with Chess", a local non-profit organization which provides chess instruction in over 50 Greater Cleveland locations, employing an experienced staff of professional instructors.

Format: Beginning students will master the rules and moves of the pieces, basic strategy and checkmates. More experienced players will explore openings, endgames, tactics and checkmate patterns. Activities include a healthy mixture of interactive lessons and supervised open play. A short recess is scheduled in the morning and afternoon with opportunities for physical exercise. Lunch and free time will be from 11:30am to 12:30pm. **Pizza Party for all campers and family members Friday noon to 1pm!**

Information: Michael Joelson: 216-321-7000, mdjoelson@progresswithchess.org

Convenient online registration is available at www.progresswithchess.org or register with Hudson Montessori School.

Registration Fees:

Full Day Fee: \$260

Sibling Discount: Additional Child \$40 Less

Half Day Fee: \$160

Sibling Discount: Additional Child \$20 Less

“SAFE SITTER” Babysitter Training Class

The Safe Sitter babysitting course is a national training program for girls and boys, ages 11-15. This course is taught by a Certified Nurse and each participant receives a Safe Sitter manual and a course completion card. During this program you will learn how to give proper first aid, how to respond to a medical emergency and other important skills needed to care for and protect children while babysitting. This course is one day only. Bring a lunch and beverage.

Ages: 11-15

Day: Monday, June 27 (Week #4)

Time: 11:00-5:00 pm

Class size: 6-20 campers

Cost: \$90

Weekly After-Care (3:15-5:45)	\$25

Registration Instructions

"EXPLORE YOUR INTERESTS" CAMPS

Each camp is priced individually and scheduled as listed in the brochure.

Online registration allows parents to manage their campers enrollment in a quick, secure and easy format. To register for either program go to www.hudsonmontessori.org. Enrollment by hand requires that a registration form be completed and returned to the HMS office by mail, e-mail, fax or in person. A form can be printed online or requested by phone.

Registration is on a first-come, first-served basis. Because most camps have limited enrollment, early registration is encouraged. All programs are subject to a minimum enrollment. In the event that a class is full or is cancelled, parents will be notified as soon as possible.

A deposit of 1/2 of the total camp fee is due at the time of registration. Once processed, you will receive a confirmation e-mail from HMS, so please be sure to include an e-mail address on the enrollment form. You will be invoiced for the remaining balance. Final payment will be due by June 1 2016. Alternate payment arrangements can be made by contacting camp@hudsonmontessori.org

HMS will charge a 2.77% convenience fee for all credit card payments.

Discount

Campers attending the "Create Your Day" program for 11 weeks, all day, are eligible to receive a 5% discount if the full amount is paid at the time of registration or no later than June 1, 2016.

Campers attending weekly sessions of the "Create Your Day" full day program may receive 20% off each Explore Your Interest Camp.

Lunch and Snack Time

Campers are to bring a healthy and nutritious lunch and beverage and a snack for mid-morning and mid-afternoon.

On Arrival

All campers and parents should use the southwest entrance of the building and check in with the Camp Staff each day. Signs will be posted to help direct campers to their destination. GLSC counselors will be on hand to check in campers for GLSC camps.

At Dismissal

Each camper must be signed out by a parent or an adult listed as approved for pick up. If the Camp Counselor is not familiar with the person picking up the camper, they may be asked to provide a photo ID before the child is released.

Refund Policy

A refund must be requested in writing prior to May 20th. There will be a \$25 non-refundable processing fee for each cancellation. If HMS cancels a class, a full refund will be given. No refunds or reduction in fees will be given for a child who arrives late, leaves early or attends only part of a session.
