Spring has Sprung!

Spring Into the New Club Season

Spring is the time for new growth and a new beginning, both inside and outside of HMS. This spring, clubs will begin on Monday, April 6. They will and will run through Friday, May 22 (unless otherwise noted).

It is our hope that your children find these activities enriching as they continue to reinforce the intrinsic values of a Montessori-inspired education.

We know the past few weeks have been a particularly surreal and challenging time for all of us. We appreciate your continued support of HMS' Auxiliary Programs. As always, should any clubs be cancelled, you will receive a full-refund via school check.

Please feel free to contact me at anytime as we look forward to having a fun and enriching spring ahead! I am reachable via text on the Auxiliary Programs' Cell any time at 330.267.9883 or by email at tmcquait@hudsonmontessori.org.

Best,
Tim McQuait
Auxiliary Programs Coordinator

Remaining School's Out Days

May 8

Be on the lookout for one-day clubs on the above dates as we get closer!

Quick Details about Clubs

Registrations and Waivers

Registrations and waivers for After-School Clubs can be downloaded from the HMS website under the “Beyond the Classroom” tab. In addition, payment and registration can be processed online at <https://www.hudsonmontessori.org/beyond-the-classroom/clubs>.

In the event that a class is full or cancelled, parents will be notified as soon as possible.

Payment Information

Payment must accompany the registration. Cash or check payments may be sent to the office the next day if e-mailing. Please include the amount and check number on your form. Parents may stop by the office to pay by credit card. Registration and credit card payment is also available online at <https://www.hudsonmontessori.org/beyond-the-classroom/clubs>.

If enrolled into 3 or more clubs, a 10% refund will be made to you once the full payment is received if using credit. If using personal check, you may take the 10% discount off then.

Enrollment

All clubs are filled on a first-come, first-served basis. Some clubs fill up quickly. In order for your student to be enrolled, complete all sections of the registration and submit full payment. Registrations received once clubs begin will not be pro-rated unless there are extenuating circumstances.

Class Cancellations

If school is closed due to weather or other emergency, class is automatically cancelled. Absences on the part of the child are forfeited; absences on the part of the instructor or contractor will be made up via make-up date, extended time during a future meeting date, or credited. There is no rescheduling or refunding due to weather cancellations, unless otherwise stated; there are no Mid-Day clubs held on days when the start of school is delayed.

Withdrawals and Refunds

If withdrawal from a club occurs a week before the Session begins, a refund or credit will be considered. There are no refunds or credits once clubs have begun.

If a written request is made at least seven days prior to the beginning of the club session, a refund can be issued minus a \$35 processing fee. If a club does not meet the minimum enrollment requirements and is cancelled by HMS, a full refund will be issued.

After-School Clubs - Mondays

Cost: \$125

Min. 4 , Max. 12

Final Module: Get Charged!

Focus on Electrical Engineering

Meets April 6, 13, 20, 27

How often do you use electricity? How many different devices in your house use electricity?

Kids get charged learning about all kinds of electrical devices, from holiday lights to city power grids. And while it seems simple to turn on a switch, Electrical Engineers actually put a lot of work into designing helpful devices that use energy efficiently. In this module, Kids learn properties of electronic devices. This includes how circuits, switches, and batteries work together to create light, movement, or sound. Then, they use this knowledge to build games, create art, and even design their own moving toys.

In this four week module, kids Get Charged up as they apply their own energy and excitement to understand how electrical engineers power the world.

Last meeting date is April 27

Meets April 7, 14, 21, 28 and May 5. 12

May 19 is a Make-Up Day if Needed

Boys and girls in grades 1-5 can learn to play one of the fastest growing sports in the United States. Lacrosse is action packed and lots of fun! All equipment will be provided in this recreational and instructional program. Experienced coaches from Jump Start Sports will teach children the fundamentals of the game, including: passing and catching, fielding ground balls, cradling, spacing and positioning, and defense. Children will then be divided by age to play fun game situational scrimmages. Plastic sticks and soft balls will be provided. No body checking or stick checking will be permitted! No helmets or shoulder pads will be used.

Parents are welcome to watch. Registration fee includes a Jump Start Sports tee shirt.

After School Clubs - Wednesdays & Thursdays

Gymnastics Club

Instructor: Jen Kontur

Levels: 3 - 6 Years Old

When: Wednesdays, 3:15-4:00pm

Cost: \$145

Min. 6 , Max. 12

Our after school gymnastics club offers a great opportunity for your child to improve their balance, coordination, strength, flexibility, and gymnastics skills. Whether you are a beginner or have participated in the sport before there is something for everyone to learn. The class is designed to teach proper form and technique to give the kids a head start in the sport. Children will learn gymnastics skills on the floor, bar, balance beam, vault, and trampoline. Your child will also be given the opportunity to express themselves through mini gymnastics routines that they will perform for each other. At the end of the session parents are invited to come be a part of an informal showcase that will allow the children to show off all that they have learned.

The camp is led by lead instructor and owner of Learning Ladder Gymnastics Ms. Jen. Jen has been coaching gymnastics since 2003 and has several years of classroom experience teaching. She also serves as Physical Education instructor for HMS' Childrens' House.

Robotics 1 and 2 Teams

Instructor: Alicia Lenczewski of Snapology

Levels: Kindergarten and Above

When: Thursdays, 3:15 - 4:30pm

Cost: \$105

Min. 8 , Max. 12

Welcome to Boomtown! Come join our team! Teams will explore the growing needs and challenges of the people in our community. Teams will help to imagine and create a building that solves a problem and makes life easier, happier, or more connected for the people that use it. Use your imagination and LEGO® Education WeDo 2.0 to design and program your Boomtown Build. Keep track of what you learn in your Engineering Notebook, and tell about it in a Show Me poster.

This is an ongoing club that began in the fall. New students are welcome to join as we continue to prepare for the competition. We will let you know when those dates are confirmed. The HMS Robotics Team is set up to be an on-going club throughout the school year.

Although the tournaments have been cancelled for this year due to concerns surrounding COVID-19, we will do our best to create an intrasquad opportunity to compete. We will also see if neighboring schools have interest as well.

After School Clubs - Fridays

Painting from Watercolors to Acrylics

Instructor: Micah Beree of Akron Artworks

Levels: Kindergarten and Above

When: Fridays, 3:30 - 4:45pm

Cost: \$165

Min. 8 , Max. 12

Learn about traditional and non-tradition painting mediums and techniques. From acrylic paintings to using watercolor to create mono-prints, each week we will learn, explore, and have fun (while making a mess). Please dress or bring clothes that are OK to get paint on, it does not wash out.

Akron Artworks aims to provide expert art instruction and therapeutic activities to children and adults in the Akron, OH area. Co-Owners Micah and Karin each bring their respective expertise and passions to this family business. Micah, an artist and art educator, and Karin, a clinical psychologist, together imagined a creative space where individuals of any age can explore art materials, develop their creative selves, and soothe the soul through stress-reduction and other therapeutic activities. Micah Beree, Artist and Art Educator, has a M.A. in Art Education from Teacher's College, Columbia University and a B.F.A. from the University of Denver.

Since the club begins at 3:30pm, after-care will be provided complimentary from dismissal to 3:30pm.

Ballet Clubs
